

Commercial License Agreement - English

This License is entered by Cream to govern the usage or redistribution of Cream software. This is a legal agreement between you (either an individual or a single entity) and Cream for software product(s) created by Cream which may include extensions, templates and services which are distributed under this license. Please check the license.txt file in the root of your software and/or the comment in the header of every source file in order to check if this license applies.

By purchasing, installing, or otherwise using products created by Cream, you acknowledge that you have read this License and agree to be bound by the terms of this Agreement. If you do not agree to the terms of this License, do not install or use products from Cream.

The Agreement becomes effective at the moment when you acquire software from our site or receive it through email or on data medium or by any other means. Cream reserves the right to make reasonable changes to the terms of this license agreement and impose its clauses at any given time.

Grant of License

By purchasing a product of Cream:

- Customer will receive the source code, which is completely open-source.
- Customer will obtain a License which will remain valid until the Customer stops using the Product or until Cream terminates this License because of Customer's failure to comply with any of its Terms and Conditions. Each License is valid for one Magento production installation unlimited Magento test and development installations.
- You are allowed to customize our products to fit with your using purpose.

Description of other Rights and Limitations

Installation and Use

- For each new Software installation, you are obliged to purchase a separate License.
- You are not permitted to use any part of the code in whole or part in any other software, product or website.
- You are legally bound to preserve the copyright information intact including the text and link.

Distribution

You are not allowed to distribute Cream software to third parties. Any distribution without our permission, including non commercial distribution is considered as violation of this Agreement and entails liability, according to the current law. You may not place the Software onto a server that allows access to the Software via a public network or the Internet for distribution purposes.

Rental

You may not give, sell, sub-license, rent, lease or lend any portion of the Software to anyone.

Compliance with Applicable Laws

You must comply with all applicable laws regarding use of software products. Cream software and a portion of it are protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. Accordingly, customer is required to treat the software like any other copyrighted material. Any activity violating copyright law will be prosecuted according to the current law. We retain the right to revoke the License of any user holding an invalid license.

Termination

Without prejudice to any other rights, Cream may terminate this License at any time if you fail to comply with the terms and conditions of this License. In such event, it constitutes a breach of the agreement, and your license to use the program is revoked and you must destroy all copies of products created by Cream in your possession.

After being notified of termination of your license, if you continue to use software created by Cream, you hereby agree to accept an injunction to prevent you from its further use and to pay all costs (including but not limited to reasonable attorney fees) to enforce our revocation of your license and any damages suffered by us because of your misuse of the Software.

We are not bound to return you the amount spent for purchase of the Software for the termination of this License.

Limitation of Liability

In no event shall Cream be liable for any damages (including, without limitation, lost profits, business interruption, or lost information) rising out of 'Authorized Users' use of or inability to use the products created by Cream, even if Cream has been advised of the possibility of such damages.

In no event will Cream be liable for prosecution arising from use of the Software against law or for any illegal use.
